

Author agreement to upload thesis to UNSWorks

Never Stand Still

I, _____ grant permission to upload the following thesis
to UNSWorks under the license:

“I am the author of this thesis”

Thesis Title: _____

Originality Statement:

- I hereby declare that this submission is my own work and to the best of my knowledge it contains no materials previously published or written by another person, or substantial proportions of material which have been accepted for the award of any other degree or diploma at UNSW or any other educational institution, except where due acknowledgement is made in the thesis. Any contribution made to the research by others, with whom I have worked at UNSW or elsewhere is explicitly acknowledged in the thesis. I also declare that the intellectual content of this thesis is the product of my own work, except to the extent that assistance from others in the project's design and conception or in style, presentation and linguistic expression is acknowledged.

Authenticity Statement:

- I certify that the digital copy I am depositing is a direct equivalent of the final officially approved version of my thesis. No emendation of content has occurred, and if there are any minor variations in formatting, they are the result of the conversion to digital format.

Granting of Licence:

- I grant to UNSW (acting through UNSWorks) or its agents, irrevocable permission to reproduce, publish and electronically communicate the thesis or dissertation under the terms of the Creative Commons Attribution-Non-Commercial-NoDerivatives Licence. I retain all proprietary rights, such as patent rights, in my thesis.
- I retain the right to use in future works (such as articles or books) all or part of my thesis or dissertation.
- I agree that UNSW may electronically translate, store, or copy the Work in any medium or format for purpose of future preservation and accessibility.

Third Party Material:

- I have either used no substantial portions of third party copyright material, including charts, diagrams, graphs, photographs, maps, in my thesis, or I have obtained permission for such material to be made accessible worldwide via the Web. If permission has not been obtained, I have removed the third party copyright material from the digital copy.

- UNSW is not under any obligation to take legal action on behalf of you or any other person who has rights in the thesis, in the event of a breach of your/another person's intellectual property rights or any other right in the thesis.
- I warrant that, so far as I am aware, the thesis does not contain offensive, defamatory, fraudulent or unlawful material. Should any part of the thesis be found to contain such material, UNSW may remove the thesis from UNSWorks.
- I agree not to deal with the thesis in a manner which is inconsistent with this licence that I have given to UNSW (for example, you will not grant an exclusive licence to reproduce your Work to another person).
- UNSWorks will determine collection and retention policies and decide whether or not a work is accepted to be included in UNSWorks and a time at which (if at all) a work is taken out of UNSWorks and therefore is no longer accessible through this repository.
