

## Author agreement to upload to UNSWorks when UNSW owns the copyright

Never Stand Still

I, \_\_\_\_\_ grant permission to upload the following research output to UNSWorks under the license:

**“I am the author of this work and UNSW owns the copyright”**

Research Output Title: \_\_\_\_\_

The research output is referred to throughout this licence as the "Work".

When submitting the Work I warrant that:

- a) I am the/an author of the Work;
  - b) UNSW owns the copyright in this work.
  - c) I am authorised to lodge the Work under the following conditions.
- UNSW may make all or part of the Work (in any format), available and accessible online, to the world at large.
  - I acknowledge and agree that UNSW will make the Work available to third party users pursuant to the terms of the Creative Commons Attribution-Non-Commercial-NoDerivatives Licence. Information on, and the full text of the licence can be obtained from <http://creativecommons.org/licenses/by-nc-nd/4.0>.
  - UNSW may reproduce and store the Work in any medium or format and convert any electronic file containing the Work (or any part of it) into any medium or format, for the purposes of future preservation and accessibility.
  - I am not transferring ownership of copyright in the Work to any end-users.
  - I agree not to deal with the Work in a manner which is inconsistent with this licence.
  - I warrant that the Work I am submitting is an original work, is the product of my (and any co-authors') intellectual effort and has not been copied from another author.
  - Where there are multiple authors of the Work, I warrant that I have authority from all co-authors to submit this work to UNSW's repository.
  - Where the Work contains third party material of which UNSW is not the copyright owner and where that material is more than an incidental reference, I have either:

- a) removed the third party material; or
  - b) obtained the permission of the copyright owner of the third party material, to grant UNSW the rights referred to under this licence and that third party material has been clearly identified and acknowledged within the Work.
- 
- I warrant that, so far as I am aware, the Work does not contain offensive, defamatory or unlawful material. Should any part of the Work be found to contain such material, UNSW may remove the Work from its digital repository.
  - I acknowledge that UNSW is not under any obligation to take legal action on behalf of me or any other person who has rights in the Work, in the event of an infringement of my or another person's intellectual property rights or any other rights in the Work.
  - I agree that UNSW has the right to determine collection and retention policies from time to time, to decide whether or not a work (including the Work) is accepted to be included in a digital repository and to determine whether a work (including the Work) is to be removed and no longer accessible from a digital repository.
